Transportation Steering Committee (TSC) Membership Recruitment Statement

Represent our diverse industry by working closely with key WisDOT staff to support the effective implementation of policies and programs, while delivering value to all members by sharing relevant information and insights.

Please answer the following questions (limit your response to this page):

(1) Describe your current role with your firm and in which WisDOT Regions you do the most work.

(2) Explain your work experience (including number of years in the AEC industry), background, and ACEC involvement.

(3) What is one skill or competency you demonstrate that would contribute to and advance the purpose of the TSC?

Nominee's Signature: _____
