This magazine will be distributed to The Daily Reporter's print and on-line readers — a targeted group of more than 30,000 development, construction and government leaders, and ACEC WI members. It will also be handed out during Engineers Week, February 15 – 22, 2025.

Not only will you reach this desired group of industry professionals, but you will be part of ACEC WI's efforts to strengthen the engineering profession's profile and awareness among these key individuals and audiences.
