

# Legislative Day

## February 19 | Madison

Join ACEC WI for the eighth annual Legislative Day. ACEC WI remains committed to the strategic goal of enhancing our advocacy efforts and Legislative Day is an opportunity for members to stay engaged and discover what political involvement really is.

At Legislative Day, you will learn what advocacy means to the engineering profession. Speakers will cover state and national issues and look ahead at the 2020 election. Attendees will learn about the major progress ACEC WI has made legislatively in the past year and where we have room to grow. Following a briefing on the state budget, members will have the opportunity to meet with State Representatives and Senators to introduce/reintroduce themselves, thank them for past support and advocate for our priority issues.

After the official event, all attendees are invited to attend our Advocacy Happy Hour to network and continue the discussions.

**In order to request and schedule legislative visit appointments, registration is requested by February 3.**
