ACEC Wisconsin

LIFETIME ACHIEVEMENT AWARD

ACEC WI has several dedicated volunteers at any given time. However, within this volunteer base group there is a select group of individuals who over the course of many years have devoted countless hours on behalf of the organization and the profession. The ACEC WI Lifetime Achievement Award was developed to recognize this elite group of influential members for significant contributions over the course of many years or in some case through an entire career. The award strives to recognize the legacy of members who had a profound impact on the organization and the engineering profession.
