The American Council of Engineering Companies of Wisconsin’s mission is creating a healthy environment for engineering firms to advance the prosperity and welfare of Wisconsin. The strength and unity of our member firms promote our mission. Joining us will boost our work for the benefit of all Wisconsin engineering firms.

JOINING THE ASSOCIATION
Event discounts and access to knowledge are just one of the benefits of membership. New members are entitled to substantial discounts on dues. Learn more from Andrew at andrew@acecwi.org (608-257-9223) or on our website and discover why right now is the best time to join.

ACCESS TO KNOWLEDGE
ACEC WI hosts a wide range of events that bring together private and public sector professionals for education and networking. We deliver member value through our discounts, engagement opportunities and wide range of events.

Members benefit from the following:
• Receive professional development credits from our expertly-led sessions at our large conferences
• Save 50% on all registrations for events - since our membership is firm based, every employee receives our registration discounts
• Network with state agency officials and managers at our annual conferences
• Continue the engagement with department officials at our more frequent members-only events like the DOT Quarterly meeting
• Join committees like our State Facilities Committee or Transportation Improvement Conference Planning Committee to help create the agenda for our conferences
• Develop upcoming leaders at your firm through the Leadership Institute program; leadership skills are developed over a half year of training

“Membership in ACEC WI has provided me and my co-workers with a network of professionals in the industry with whom we can collaborate on strengthening our firms as well as our industry. It has also given us access to experiences and relationships on the state and national level which have proven invaluable to the development of our firm.”
-Gil Hantzsch, PE, President & CEO, MSA Professional Services
