

The VALUE of JOINING

The American Council of Engineering Companies of Wisconsin's mission is creating a healthy environment for engineering firms to advance the prosperity and welfare of Wisconsin. The strength and unity of our member firms promote our mission. Joining us will strengthen our work for the benefit of all Wisconsin engineering firms.

DELIVERING MEMBER VALUE

Maximize your investment in membership ACEC's Trust Programs. These exclusive insurance trusts save substantial amounts of money and increase employee retention.

The Business Insurance Trust oversees a program with tailored coverage and broad terms and conditions. It includes:

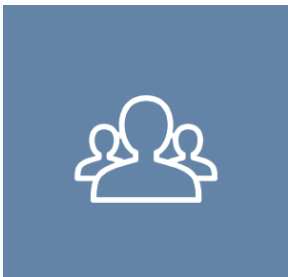

- Automobile liability and physical damage
- Worker's compensation
- Umbrella and "Spectrum" package covering a wide range of property, technology, liability and catastrophe issues

The Life/Health Trust provides healthcare benefits solutions and services. Member firms are backed by the group purchasing power of more than 1,600 firms and 90,000 participants. The Trust holds over two times the industry standard for financial reserves and this financial strength equates to long-term stability and an enhanced value proposition.

The Retirement Trust is of a size that allows any size firm to have enormous buying power. Gain a competitive advantage with a best-in-class retirement plan. Benefits include:

- Attracting and retaining talent
- Harnessing the right expertise while staying focused on engineering
- Leveraging economies of scale
- Reducing fiduciary risk
