

The VALUE of BELONGING

Members like you are the reason ACEC Wisconsin is strong and continues to gain momentum. Together, we continued our tradition of excellence in 2016-17. Our goal is help members succeed and thrive in 2017-18 and beyond!

CREATING A FAVORABLE ENVIRONMENT

- Decisions made in Madison impact your day-to-day operations. Members receive exclusive advocacy alerts and breaking information.
- Under the ACEC Wisconsin umbrella, the voice of the engineering profession is amplified.
- Connect with state agencies and lawmakers to help shape legislation, policies and procedures.

PROVIDING ACCESS TO KNOWLEDGE

- Network with results. Committee involvement and event attendance provides access to stakeholders and leaders in the industry.
- Position rising leaders to succeed by participating in top-flight educational programs like the Leadership Institute.
- Attend conferences that provide professional development hours for license renewal.

DELIVERING MEMBER VALUE

- Participate in an organization that networks across state lines and provides national-level assistance.
- Develop and strengthen relationships with your peers through the Principals Roundtable events.
- Save money on event registrations, insurance and more through your membership.
- Recognize your firm's achievements through the Engineering Excellence Awards and the Awards Banquet.

GET INVOLVED!

Contact us to magnify these benefits by joining a committee, attending events at a discounted rate, participating in programs or expanding your advocacy role.
