

VISION

ACEC Wisconsin is a thriving, collaborative, and inclusive engineering community dedicated to building a better Wisconsin.

MISSION

Empower and support a diverse engineering community through advocacy, leadership development, and engagement.

FOCUS AREAS:

1 ADVOCACY AND VOICE

Known as the respected voice of the engineering community to clients, policymakers, and the public.

2 LEADERSHIP DEVELOPMENT AND GROWTH

Provide growth and leadership opportunities across all career levels that build and enhance the engineering community.

3 COLLABORATE AND ENGAGE

Promote the development of mutually beneficial relationships with peers, policymakers, industry organizations, and clients, while having fun along the way.

4 DIVERSITY, EQUITY, AND INCLUSION

Be a welcoming, diverse, and equitable organization.
