

# IET: Real Talk

Catherine O'Neil  
Program Director  
Integrated Education & Training

# Meet your IET Panelists!

**Rachel Walker**, Coordinator of Workforce Development  
Clay County School District

**Kelly Herndon**, Director of Adult Education  
Florida State College at Jacksonville

**Susana Mauri**, District Director  
Office of Postsecondary Career & Technical Education  
Miami-Dade County School District

**Julie Falt**, Adult Education Coordinator  
Santa Fe College

**What key elements have contributed to the success of your IET programs?**

**What are some obstacles you've faced in starting a new IET Program?**

**Which instructional models do you  
use and why?**

**How do you work with local employers and partners to ensure IET programs align with local labor market demand?**

**How do you ensure learners receive the supports needed to succeed in IET programs, such as academic and career counseling, job placement assistance, and other wraparound services?**

# How do you grow your IET programs?

**What are the challenges learners face?**

# How do you measure effectiveness?

# Share your IET questions with us!

A blurred background image of a man with glasses, looking to the right. The image is overlaid on an orange background with a large white arrow pointing right.

# THANK YOU
