

Will Todd, Panelist

Will Todd is the President and Founder of Icebreaker Strategies, LLC, a government relations and business development firm based in Washington, DC. Prior to founding Icebreaker, he served as Principal at Cornerstone Government Relations, and spent 13 years on Capitol Hill, serving late-Senator Thad Cochran and the Senate Appropriations'

Defense Subcommittee. Will's expertise in federal business development and policy will strengthen MSET's efforts to connect Mississippi companies with national opportunities. A north Mississippi-native, Will holds degrees from the University of Mississippi, the University of Southern Mississippi, and Georgetown University. He lives in Alexandria, VA, with his wife and two children. These new board members will support MSET's strategic initiatives to strengthen partnerships across industry, academia, and government to position Mississippi as a leader in aerospace, defense, and technology innovation.
