

A Joint training provided by the AEE Northwest Regional and Washington State University Extension.

Be the Spark: build community, enhance social emotional learning, and enhance reflection.

February 3, 2024.

9AM-3PM Workshops. 5PM Rusty Goat Taproom. Free Books, networking, and more.

Calling all passionate educators! Get ready to embark on a transformative experience! The five workshops are tailored to empower you to create an extraordinary learning environment while having fun with your participants. These workshops will give you the tools, techniques, and supplies you can use to up your game in experiential education. Everyone will create a personalized kit, so you're ready to go the next day. Come to expand your experiential education tools and leave refreshed. Bring folks along who are new to experiential education. At the 5PM evening event we will be handing out free books, network and share other programming ideas.
