

**Virginia BEST** is designed to encourage and recognize AGCVA members who voluntarily implement highly effective safety and health management systems to protect the construction workers and reduce or eliminate injuries, illnesses and fatalities on construction sites in Virginia.

**B. Building  
E. Excellence in  
S. Safety  
T. Health & Training**

## Why become a Virginia BEST Company?

- Safer jobsites
- Reduce employee injuries & illness
- Improve employee morale
- To be more competitive
- Advance the industry
- Build talent pipeline with confidence
- Decrease bottom line costs
- Improve productivity

### Core elements:

1. Management leadership and employee involvement
2. Worksite analysis
3. Hazard prevention and control
4. Safety and health training

### Three levels of participation in Virginia BEST are:

**Level 1** The basic achievement level in the Virginia BEST program for applicants that develop and implement an effective safety and health management system that meets current VOSH regulatory requirements.

**Level 2** The intermediate achievement level in the Virginia BEST program for applicants having an established safety and health management system that exceeds current VOSH regulatory requirements.

**Level 3** The highest achievement level in the Virginia BEST program for applicants having an exceptional safety and health management system that serves as a model for other construction employers.
