

HOW TO MARK YOUR BALLOT

Only AIA Louisiana Members May Vote

Please do not vote for any project submitted by your firm, as this will disqualify your ballot. *If you were employed by a firm during the period in which that firm was producing a project currently entered into the AIA LA Awards Program, you will, for the purposes of this ballot, be considered on the same basis as current firm employees.*

The numbers on the ballot correspond to the numbers shown on Members' Choice Page on the website. Click on the box next to the project number you wish to vote for to select that project. If you change your mind, clicking again will remove the "X". You are allowed to vote for multiple projects.
