**AIA Louisiana Takes on DC**  
AIA Leadership Summit 2026

Members from local Chapters and Sections across the Nation convened in DC recently for the 2026 Leadership Summit and Hill Day. Engaging keynotes as well as multiple sessions on leadership training and discussions with the Institute were on the schedule for all. In addition, many attendees also attended individual meetings with Congressional Members during AIA Hill Day! We thank each of the offices for their time and attention.

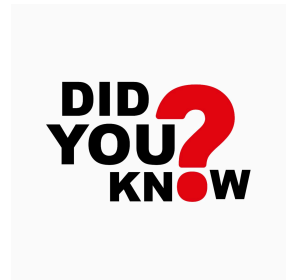

We also thank each of those that attended Leadership Summit this year giving their time and attention to becoming even better leaders for their local and state components. It was a time full of exploration, education, collaboration and even quite a few laughs. Specific thanks to Andrea Earp, AIA (AIA Shreveport), Brad Michael, AIA (AIA South LA), Judd Terry, AIA (AIA Baton Rouge), and Ashley Weber, AIA (AIA Coastal LA), for meeting with members of Congress.

AIA Leadership Summit is open to all AIA members and we look forward to another wonderful event in 2027!
