

## Town of Monroeville, IN Utilities Superintendent

The Town of Monroeville is seeking applications for the role of Utilities Superintendent/ Utilities Superintendent in training. The Utilities Superintendent must hold or be able to obtain a WT3 Drinking Water Operator's license, a DSS water distribution license, and an I-SP Wastewater Operators license. This role is responsible for being the operator in charge for both the water plant and wastewater plant and is responsible for keeping both in compliance with all IDEM standards. This role is also in charge of keeping the entire town in good working order. Other responsibilities include but are not limited to:

- Playing a lead role working with the Town Board and engineers on large scale construction projects
- Keeping the community park clean, mowed, and in good working order
- Snow plowing
- Maintenance at both the water and sewer plants as well as throughout both systems
- Keeping maintenance records
- Filling out and submitting all state regulatory reports
- Testing water and wastewater
- Keeping streets clean and filling pot holes
- Fixing street signs
- Any and everything else needed to keep the Town clean and running smoothly

Pay: \$25.00/ hour to \$35.00/ hour, depending upon experience and licenses held.

This is a full-time position with benefits that answers directly to the Town Council. Applicants must be willing to work overtime on an as needed basis (plowing snow, water main breaks, etc.) and also be willing to be on call. Compensation will be based on experience and the ability to do the job. The applicant must hold a valid driver's license to apply. Please send resumes to [dgerardot@frontier.com](mailto:dgerardot@frontier.com) or [dongerardot@gmail.com](mailto:dongerardot@gmail.com) or submit a request for an application to the same email address.
