

Posey County Regional Sewer District
7200 Schneider Lane
Wadesville, IN 47638
812-345-0440
Attention: **Operator in Training**

The Posey County Regional Sewer District (PCRSB) is seeking applicants for an operator in training position. This position is considered to be a full-time position. This individual will report to the PCRSB Board of Directors. Please send your letter of interest and resume to the attention (Operator in Training) at the address above, or email to poseycountyrsew@qmail.com on or before Oct 1, 2025. The position will remain open until filled after that date.

MINIMUM QUALIFICATIONS

- Have a High School Education or equivalent.
- Have a valid drivers license.
- Strong communication skills

JOB FUNCTIONS

- Learn to run laboratory analysis for both the Wadesville treatment plant and the Harbortown treatment plant.
- Learn to fill out the required monthly reports of operation for both treatment plants and submit to the Indiana Department of Environmental Management.
- Learn to perform minor maintenance at both treatment plants and booster station.
- Respond to customer complaints from the districts sewer customers.
- Managing the grounds of both treatment plants such as weed control/mowing.
- Learn to Locate underground utilities using the equipment provided to you by the PCRSB board.
- Work under supervision of the PCRSB's contract operator while learning Plant Operation procedures with a goal of becoming a Class II IDEM certified wastewater treatment plant operator.

SALARY

Starting salary is commensurate with the qualifications of the applicant. Benefits of the employee include medical insurance, paid vacation days, PTO, and personal days. This position comes with a pick up truck provided to the Director by the PCRSB.
