Thank you so much for continuing to help me further my education! School is stressful enough its self, and worrying about how I'm going to pay for it would have been too much stress on me. I am extremely grateful for your donation to my future and have plans to do big things and I thank you all very much.

Thank you is not enough. This scholarship has relieved so much stress for not only me but also my parents. This scholarship has given me the ability to fully focus on my studies and be the best student I can be. I wish there was something else to say besides thank you so much.

BURKE WOOD

“

Hello!

I am Burke Wood. I am an incoming Junior at the University of Arizona studying Environmental Studies and I am a recipient of the Julie Hurst and Steve Peters Education Fund scholarship. I wanted to express my gratitude for the extreme generosity of your donations to this fund. Without your donations, my time so far at the University of Arizona would not have been half as enriching. With the time and security that your donations provided I have been able to maintain a 4.0 GPA while also participating in many extracurricular clubs and activities. I feel incredibly lucky to have been selected for this scholarship and will be forever grateful for your donations and the experiences they have brought me.

Thank you,
Burke Wood

MADISON FURNAS

“

Thank you for your generosity in helping me become the first member of my family to graduate from a university and obtain my Bachelor's of Science in Marketing. Not only does this scholarship allow me to achieve my goals of being the first in my family to graduate, but this scholarship also helps me graduate with honors, debt free. This scholarship allows me to continue focusing on my passions which includes studying abroad, adding on 3 certificates alongside my major, and participating in additional programs to support my major. I sincerely appreciate your generosity. This means so much to me. Thank you!
