In order to comply with the mandates of social distancing and to comply with the current status of orders and rules regarding the COVID pandemic, the following regulations and rules apply to use of the Pool:

1. Users should appropriately clean with disinfecting wipes any chairs, tables, or other areas they use both before use and after use.
2. Users must practice social distancing while in the Pool Area.
3. Users are advised to use face masks when not in the water.
4. Persons with a fever, are sick, or who have been exposed to any contagious disease, may not use the Pool or Spa, nor be in the pool area. Persons who have had intestinal problems or diarrhea in the last 72 hours may not use the pool or spa.
5. Use of the Pool and Spa is at each Users own risk. It is up to each individual to ensure their own safety and protection.
6. All other rules and regulations relating to the Pool area, Pool, and Spa still apply.

DISCLAIMER: User, by entering the Pool Area, accepts the risks associated with the use of the Pool and Spa, agrees to abide by the rules, and accepts the responsibilities to protect themselves and others by maintaining appropriate social distancing, and using appropriate protective devices.

THANK YOU,
YOUR PROPERTY TEAM
