

FAST FACTS

Hope+Door helps families across the US avoid homelessness and eviction.

About Hope+Door

For a family that rents, the risk of homelessness is often due to no fault of their own: a temporary job interruption, car accident, natural disaster, death of a family member, victim of a crime, or medical emergency – the list goes on.

Even the most responsible families experience unforeseen financial emergencies. When these emergencies happen and a family gets behind on rent, Hope+Door steps in to fill the gap with rent grants for up to 2 months of rent for qualified applicants.
