

The AMA 5 Star Safety Certification Program is designed to reduce criminal activity, improve safety, as well as unite community organizations and individuals, the 5 Star Certification program is the ultimate way to demonstrate your property's elevated commitment to fostering safer communities. As an AMA 5 Star Certified Community, you set yourself apart from other rental properties by holding yourself to a higher standard of management practices, customer caring and neighborhood involvement - a distinction to truly be proud of!

★ **Project SAFE**
