

PCC NORTH LOWER DOCK

The red arrows depict the path of travel down into the lower level from street level

1. Head North bound on 5th St. and Washington. Look for the guard shack on the left hand side as you pass the intersection.

2. Stop at dock guard and let the guard know you are headed to the lower level Hall 6.

3. Follow the ramp down to the end and make a right hand turn.

4. A CSC guard will tell you where to line up.

5. Wait in line to drop equipment off.

6. Once dropped off, proceed back to ground level and park at desired garage or meter.
