AMA 5 STAR PROGRAM

Project S.A.F.E. Speaker Backup Plan

**What to do if your speaker cancels
or if you can't find a speaker.**

Since our speakers are community members volunteering their time, sometimes they can get called away unexpectedly. If this happens, don't worry! Your event can still go on without them.

Option 1 – You can be the speaker!

Ask your speaker if they can give you some handouts or print your own:

Option 2 – Get your residents involved! Turn your event into a “neighborhood watch” type of meeting where residents and staff gather to discuss safety problems and solutions.

If you have any other resources or suggestions, please share them with us!
