

AMAP Annual Conference Abstract Submission Guide

Welcome to the AMAP Annual Conference Abstract Submission Guide. This document provides detailed guidelines to help you successfully submit your abstract for consideration. Please review the information below to ensure your submission meets the necessary requirements.

Abstract Submission Guidelines

- Abstracts must include **presentation title & speaker's name and contact information**.
- All abstracts must be related to the **theme of the meeting** and involve the modification of asphalt paving or roofing materials.
- Ongoing research is welcome.
 - The presented work does **not** need to be published or in a publishable state.
- Abstracts will be considered for **oral presentations** only.
- The abstract should be a maximum of **500 words** and must include a concise and clear **statement of objectives, methods used, results, and conclusions** of the study or field project being presented.
- You will be notified if your abstract is **accepted or declined** for presentation.
- This presentation will **not be published**.
- A **PDF version of the presentation** will be available to conference attendees after the event on the AMAP website.
 - After **one year**, the presentation will be available as **view-only access** for AMAP members.
