

PRESENTED BY  
**Snap-on®**

# Welcome to Atlanta!

Congratulations on being selected to represent your organization at The Competition 2025. We are thrilled to witness you showcasing your knowledge, skills and integrity on the biggest stage in aviation maintenance.

By the end of the week, five teams will have navigated the challenging events and emerged victorious in their respective divisions: Commercial Aviation, General Aviation, Military, MRO/OEM and School.

One team will earn the honor of taking home the biggest prize in aviation maintenance – the William F. “Bill” O’Brien Award for Excellence in Aircraft Maintenance. Presented by Snap-on to the team with the overall best score, the 5-foot-tall O’Brien Award is a traveling trophy that goes home with the winners to be displayed in their facility until the next Competition. After their incredible performance in Chicago, Southwest Airlines – Team Herb has been the award’s host for the past year. Will they prove victorious once again, or will someone else take home the title?

This year, we will have 90 teams competing in 27 events. Every one of you has a unique story that has led you to this moment. Many of you have generously shared those stories with us, and we particularly enjoy hearing about those of you who were supported early on your journey by selfless professionals and industry leaders. As you all know, even small acts of kindness can have lasting impacts on a budding career.

We have seen the industry step up for these young professionals through mentoring and covering travel expenses, and we want to encourage you to do the same. If you are able, we invite you to pay it forward and contribute to the Phoebe Omlie Scholarship, NRF Grants or even create your own scholarship to ensure that every A&P student has access to The Competition and MRO Americas.

For our part, we know that this event would not be possible without our supporters, specifically the countless volunteers and dedicated sponsors. Every year we are humbled, both by the amazing display of skill and the people who come together to help us put on this event. Please thank the volunteers as you see them. We could not offer this platform without their time and support.

In addition to presenting the O’Brien Award, our presenting sponsor Snap-on supplies tools for the events and contributes more than \$140,000 in tools and equipment as prizes for the top finishers. Snap-on, American Airlines, Pratt & Whitney and many other generous sponsors have once again stepped up to help make this year’s event bigger and better than ever, and for that we’re very grateful. A full list of our great sponsors is available in the back of this program. Seek them out this week and thank them for their support.

We are so grateful that you are here with us in Atlanta this week! Good luck and have fun!
