### **AOBA Launches Emerging Leaders Council**

As a major new program for 2019, the Apartment and Office Building Association of Metropolitan Washington is pleased to launch the **Emerging Leaders Council (ELC)** for property management professionals, with three to 10 years of property management experience, who are members of the Association.

The goal of ELC in 2019 is to deliver **personal and professional development and networking opportunities** to young professionals in the industry, while developing future leaders for AOBA and the industry at large.

“We believe that the future success of our Association depends on engaging more professionals at all levels. This new Council will support AOBA by engaging and educating other newer-to-industry professionals about AOBA’s mission. It will also support efforts to recruit new members, and to coordinate an event for AOBA’s emerging leaders,” said Jackie Duke, Senior Vice President-Operations, Brookfield and AOBA’s President-elect.

A Program Overview and Application are posted at [aoba-metro.org](http://aoba-metro.org). A selection committee will review all member applications and accept up to 30 individuals from a cross-section of AOBA member companies. Questions about the new Council should be directed to Annabel Bendz, Director of Meetings, Events and Programs, [abendz@aoba-metro.org](mailto:abendz@aoba-metro.org).
