- This approach ensures we can prioritize seating for 100 BOMA Member Principals and Staff, while also accommodating 50 BOMA Vendor Members and Suppliers.

Sponsorship Intentions

- Our intention is to create meaningful opportunities for vendors to engage with attendees.
- Instead of standing near your table and hoping attendees approach, we are facilitating engagement throughout the conference.
- We want you to connect with your target audience and here to help.
- If you prefer something customizable, please let us know.
