AOBA's Highest Honor Presented to Gary Campbell

Gary Campbell, President, Grady Management, Inc., was honored at AOBA's Annual Meeting on Jan. 22, 2015 with the *Sidney Glassman Memorial Award*, AOBA's most prestigious honor. The award honors the legacy of Sidney Glassman, an executive with the Charles E. Smith Company, who was a key architect of today's property management practices.

Gary has served as President of Grady Management since 1998 and has been an active AOBA member for more than three decades. He is one of the longest-standing members of the AOBA Board of Directors – having served since 1988.

“Gary Campbell is a most deserving recipient of the Sidney Glassman Memorial Award. His dedication to AOBA over the years, and his contribution to our Maryland advocacy efforts, has helped foster a company culture at Grady that builds educated and dedicated employees. And we all recognize that mentoring others is critical to the future success of our industry,” noted Mary Lynch, Akridge, who was honored in 2014 with the Sidney Glassman Memorial Award.
