AOBA's Highest Honor Presented to Harald Mangold

Harald Mangold, President of Scott Management, was honored at AOBA's Annual Meeting on Jan. 24 with the *Sidney Glassman Memorial Award*, AOBA's most prestigious recognition. The award honors the legacy of Sidney Glassman, an executive with the Charles E. Smith Company, who was a key architect of today's property management practices.

A long-time member of AOBA's Board of Directors, Harald previously served as AOBA Treasurer and currently serves as Maryland Government Affairs Committee Chair. For many years, Harald has devoted his time and expertise to help analyze pending legislation and recommend positions for AOBA so that our positions reflect the "real world" impact of legislation on our members.

In addition to his service in Maryland, Harald has been an invaluable resource to AOBA's Virginia advocacy team, and has lent his time and expertise to AOBA on utility-related matters. The AOBA Alliance, Inc. has also benefitted from Harald's strong support and expertise.

Harald and his team at Scott Management take community service seriously. He has been a leader in helping many charitable causes -- supporting with his funds and his presence such programs as AOBA's Scholars Program at Prince George's Community College and the Prince George's County Public Safety Christmas Basket Program. He has also strongly supported recent AOBA community outreach programs, including the Food Drive to Benefit the Capital Area Food Bank.

As Shaun Pharr, AOBA's 2016 Sidney Glassman Award recipient stated, "Harald embodies the characteristics of the consummate AOBA member, who generously shares his wisdom and practical knowledge. We are honored to recognize him with this distinguished award."
