Life is busy, and so is the Virginia General Assembly. So, instead of trying to bring all of AOBA to Richmond on a single day, we created The General Assembly Lobbyist Experience -- the most flexible and convenient lobby day experience for you. By participating in our Lobbyist Experience, you get to share your perspective so our legislators can create policies that make our communities better.

You don't need to worry about a thing, except wearing comfortable shoes. We will be with you every step of the way as we navigate the halls of the General Assembly Building and during the meetings. We'll do our best to customize your itinerary so you can meet with the legislators who impact your business. Register for the day(s) and time(s) that work best for you, scan the materials, and share your experience.

Thank you for taking a day to join us in Richmond and we look forward to meeting you in the lobby of the General Assembly soon!
