MEMBER PERKS GUIDEBOOK

1. Consider Brevity & Clarity — Develop a streamlined vocal description of your project, anticipate questions, and develop responses

2. Consider Brevity & Clarity — Develop a streamlined vocal description of your project, anticipate questions, and develop responses

3. Consider Practicing — Practice presenting your poster to labmates, classmates, coworkers, and supervisors; ask for them to time you and provide feedback

4. Consider How To Draw People In — Develop a greeting so that you invite people to interact with and your poster (e.g., "Hi! Thanks for stopping by. I'm here to provide you with an overview of my research and answer any questions you have.")

You Will Wrap Up — Develop some closing statements (e.g., "Thank you for stopping by and/or connecting with me. Please email within the hour.")
