

GET CERTIFIED. STAY COMPETITIVE.

TRAIN WITH THE INDUSTRY'S TRUSTED TILE ROOFING AUTHORITY.

Hosted By:

The Tile Roofing Industry Alliance is bringing the industry's trusted standard for concrete and clay tile roof installation to Arizona in partnership with ARCA. This in-person certification training on the new 2024 edition of TRIA's Concrete & Clay Roof Tile Installation Manual is designed to help roofing professionals stay current with evolving code requirements, updated wind uplift standards, and today's best installation practices. Whether you're a contractor, installer, or inspector, earning this certification demonstrates your commitment to quality workmanship, code-compliant installation, and staying competitive in today's roofing industry.

Wednesday, July 22nd
