ARIZONA ROOFING CONTRACTORS ASSOCIATION

October 27, 2026

Dear Valued Friends and Sponsors:

We wish to thank all our sponsors who have supported the Arizona Roofing Contractors Association for the past twenty-seven years. Your generosity has made the ARCA Sponsorship Program extremely successful in achieving its goals of promoting the professionalism of the roofing trade and ensuring that our workforce can safely perform their jobs.

Your sponsorship support will allow us to sustain all the normal programs and services provided by the association and continue offering the following:

- Safety Training in English and Spanish - including OSHA 10- & 30-Hour Roofing Safety, Fall Protection, Ladder Safety & PPE, CPR & First Aid, Forklift, Confined Space and more!
- Download the Safety Manual electronically from the ARCA website
- Educational seminars that illuminate relevant and changing industry issues
- Roofing Library featuring field training manuals and videos specific to the roofing industry
- Educational programs to improve workmanship standards for existing employees
- Representation on legislative issues and regulations affecting the roofing industry
- Scholarship opportunities for all contractors and associate members, employees and dependents through the Arizona Roofing Industry Foundation
- General financial support for operations and administrative costs

As a result of the ARCA Sponsorship Program funding these benefits, our association is one of the largest subcontractor trade associations in the State of Arizona and we are now ranked in the top ten among all Arizona trade associations. Our membership includes over 150 roofing contractors and 120 associate members.

We are very grateful for your support and hope that you have benefited from your sponsorship of our organization.

***Now is the time to renew your sponsorship for 2027 or to begin your participation as a new sponsor***. We need all the support we can get to meet the challenges that lie ahead for the roofing industry.

Please review the 2026 ARCA Sponsorship program information enclosed and contact the ARCA office with your commitment today.

Respectfully Yours,

Eric Perry, Sponsorship Co-chair
Eco Roofing Solutions LLC

David Hill, Sponsorship Co-chair
Premier Roofing & Waterproofing Co.
