What message does your team
receive from your actions
everyday?

If I were to ask your team members the same question about you, what would they say?

Schedule the time

- Walk the manufacturing floor.
- Make eye contact and smile.
- Wave and say hello.
- Pause.

Listen and observe

- Machines whisper before they scream.
- Catch accidents before they happen.
- Take advantage of a learning opportunity.

A simple act.

A few extra minutes.

It was just a pile of dirt.

Pick up a Broom
