

International partnerships....

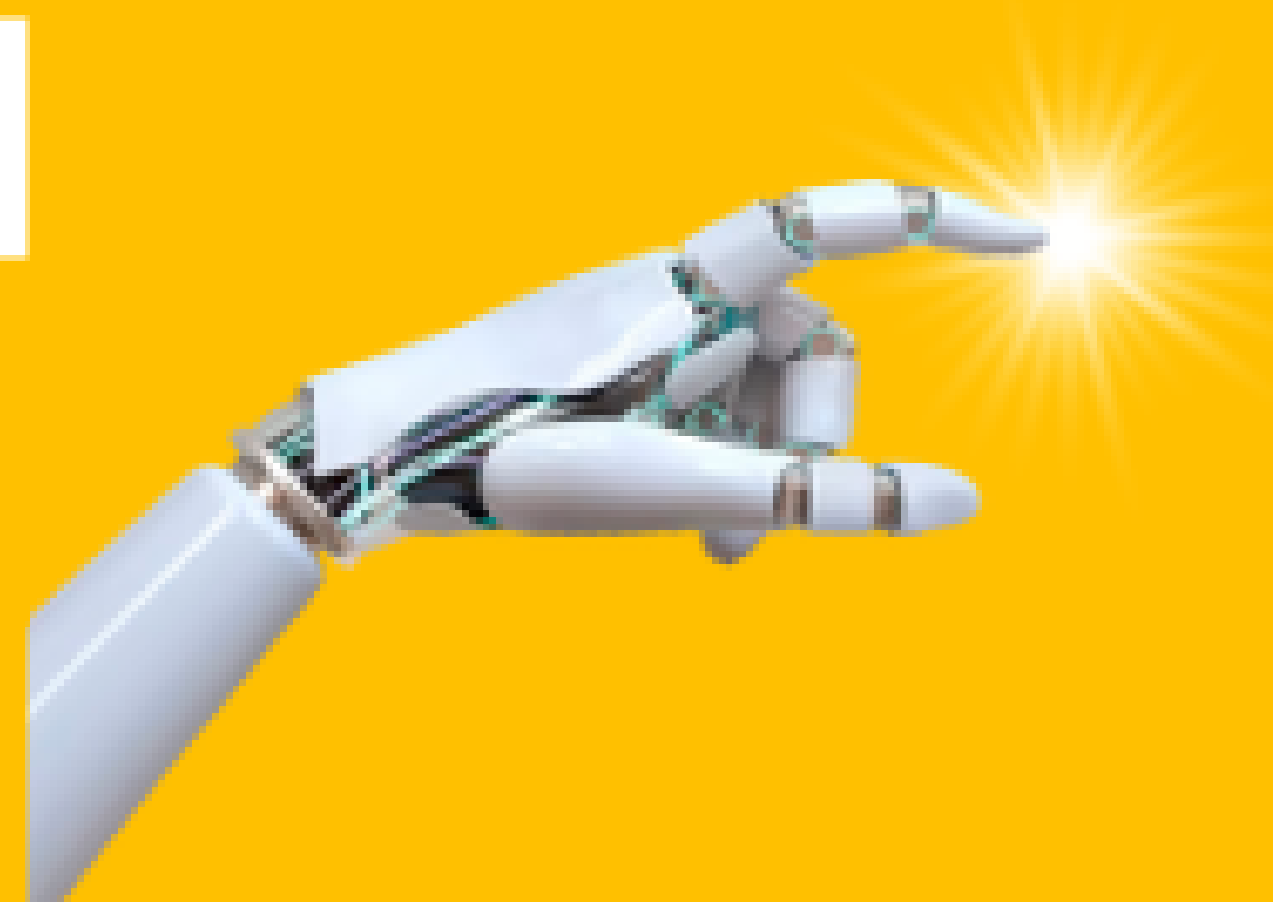

begin going international

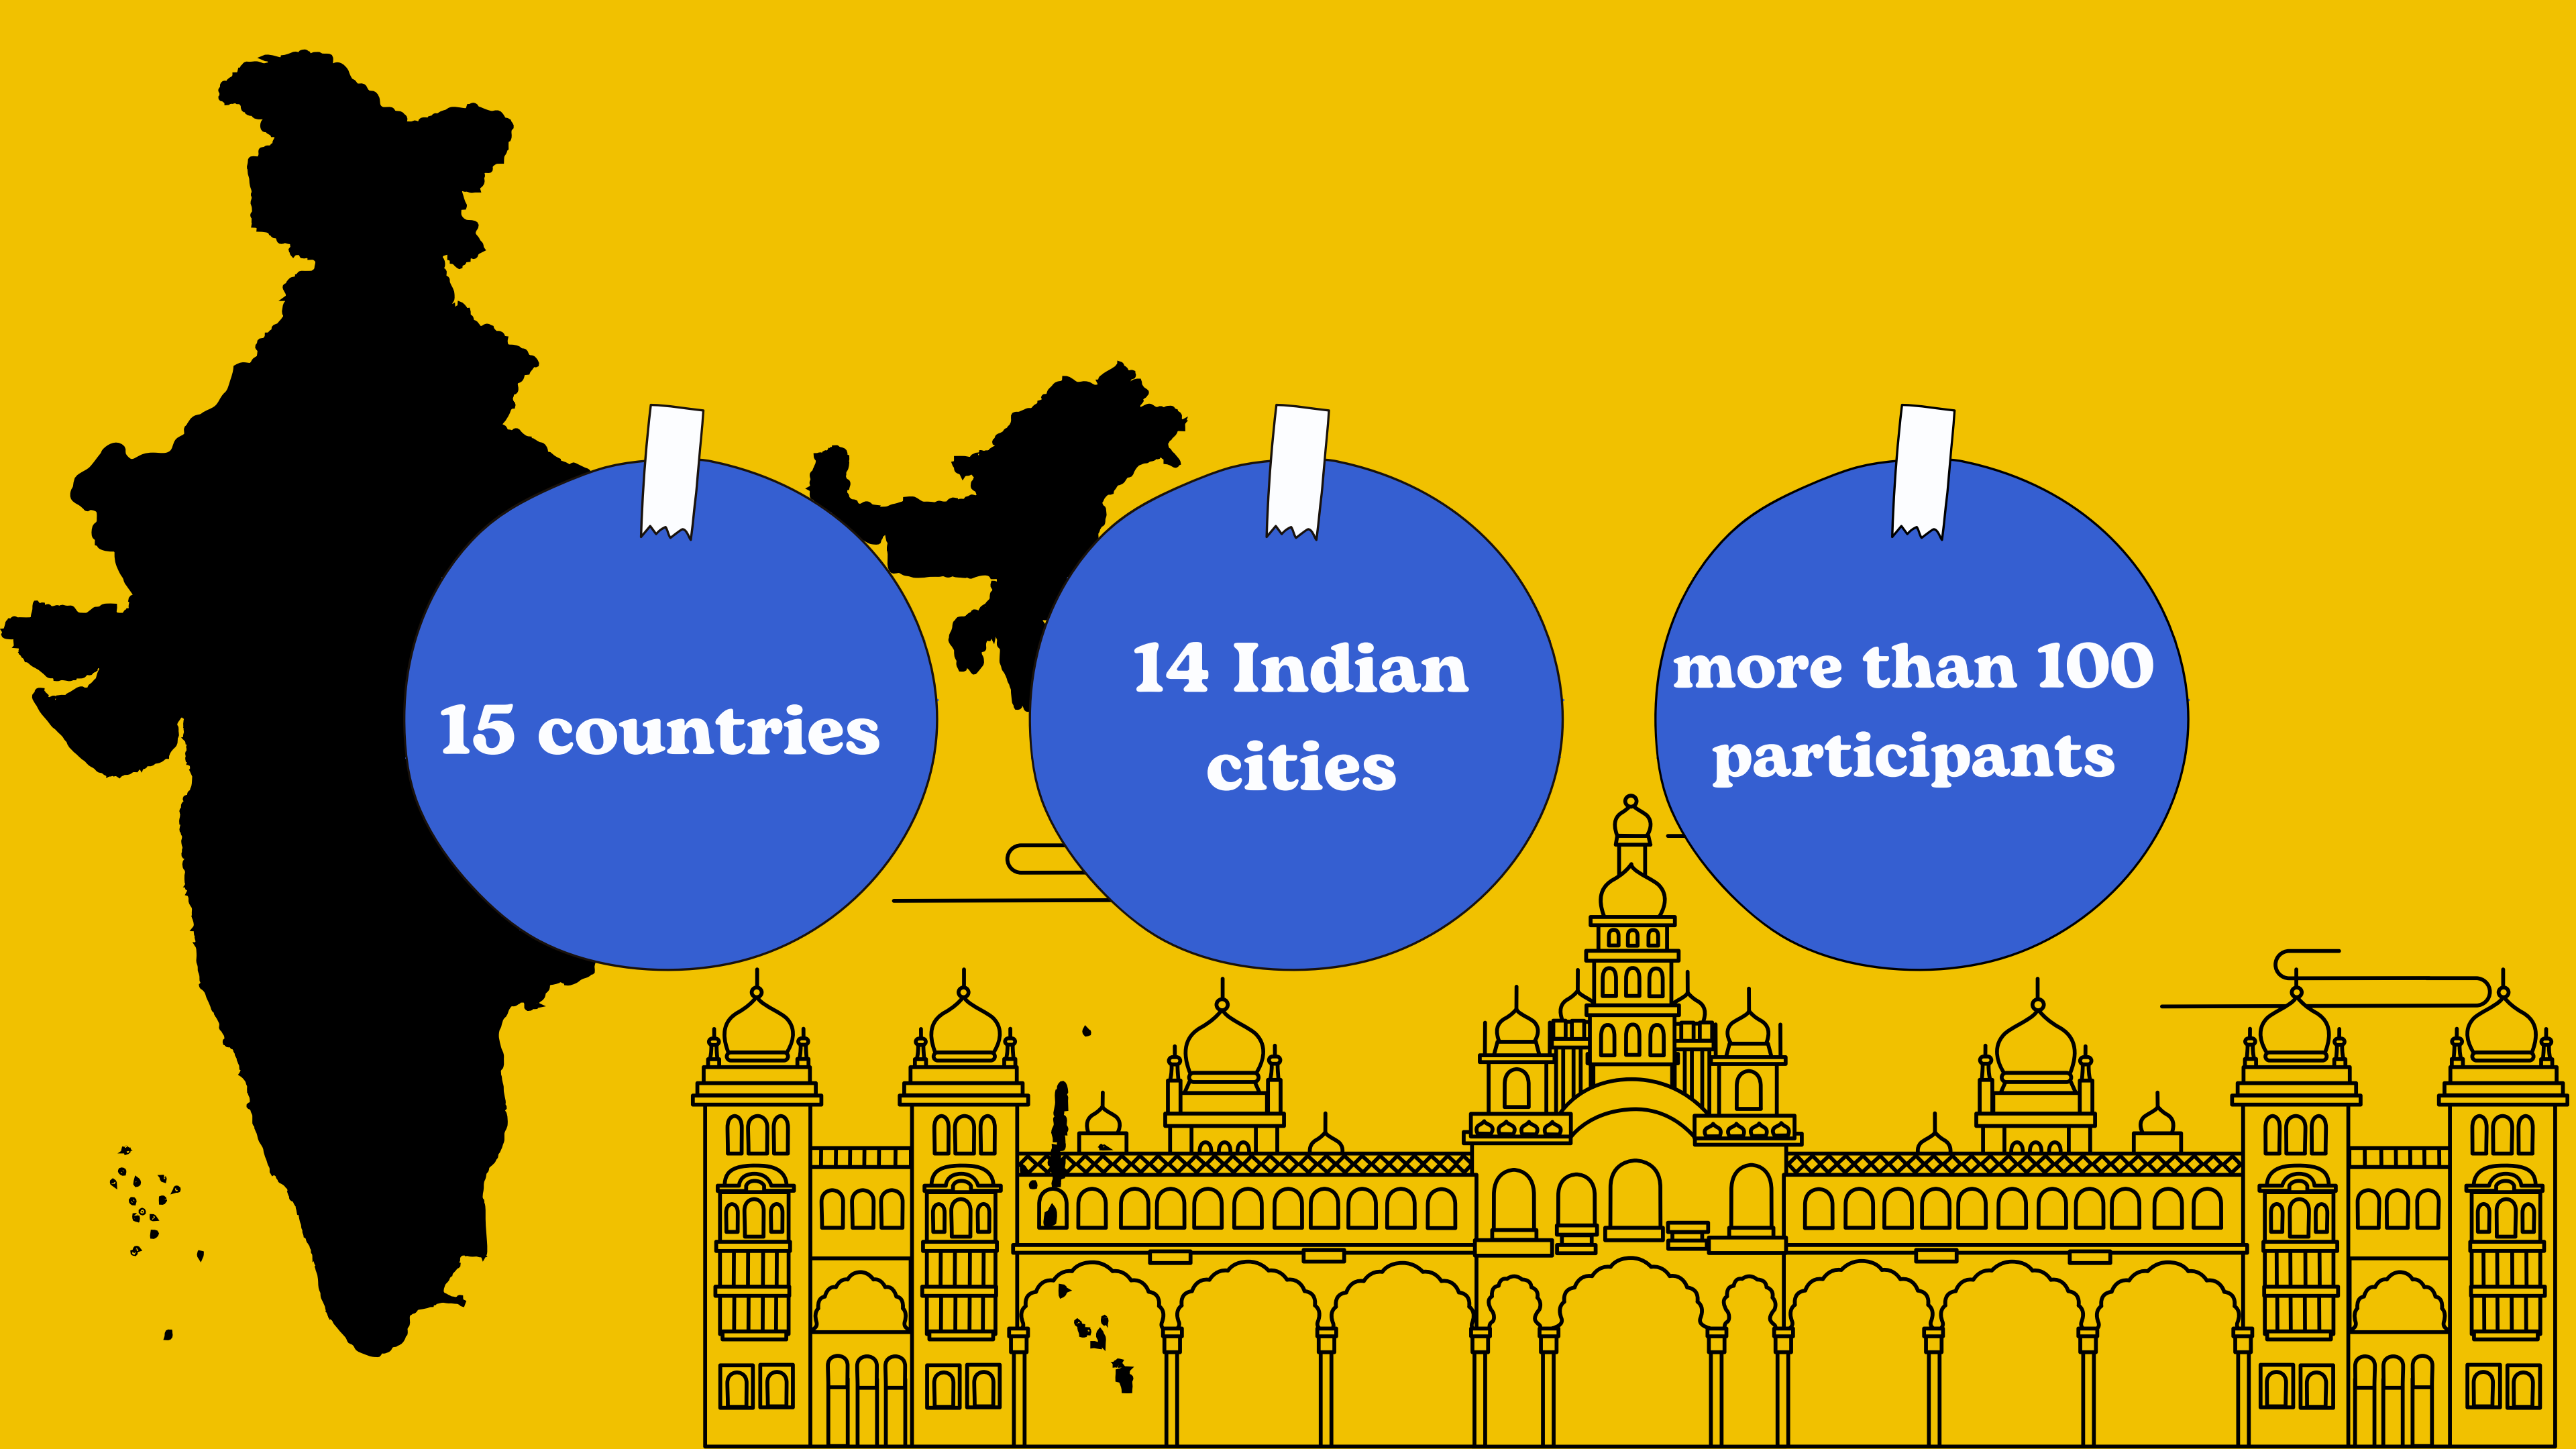

19th Annual Conference & ROTO TRADE SHOW 2023

• Presentation • Workshops • Trade Show • Networking

New Delhi, Jan 28th - 30th, 2023

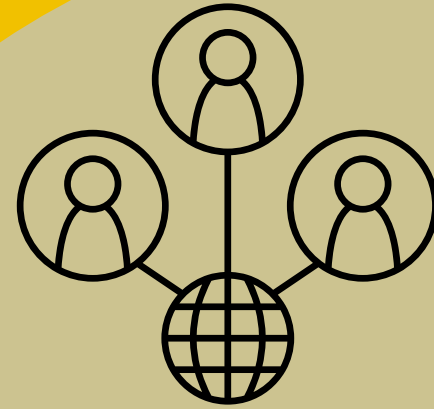

15 countries

**14 Indian
cities**

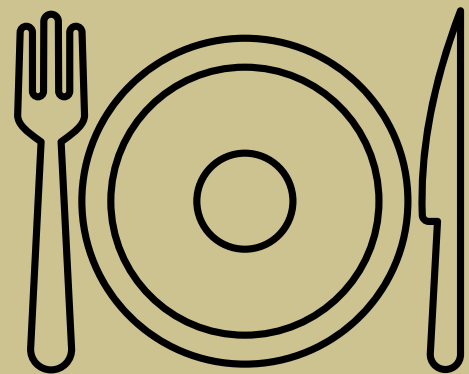

**more than 100
participants**

1 networking
dinner

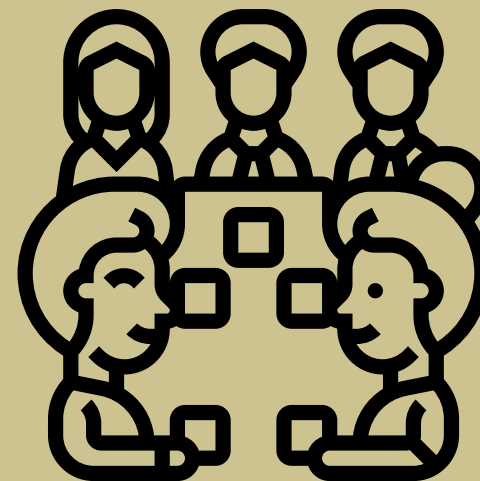

1 Exhibition hall

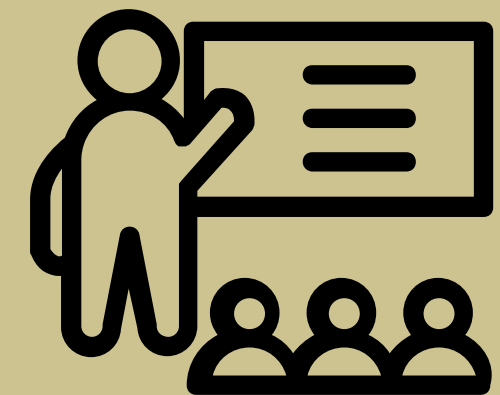

1 gala dinner

4 workshop

18
presentations

- **The Future of Rotomoulding**

By **Martin Coles**, Matrix Polymers, UK

- **Be a “Rotomoulding Nerd”!**

By **Martiin Spencer**, UniqueRoto, UK

- **Future trends y concerns about environmental aspects of rotomolding**

By **Celal Beyssel**, Floteks, Turkey

- **Sustainable Rotomoulding technology, The future Today**

By **Matteo Cortesi**, Persico., Italy

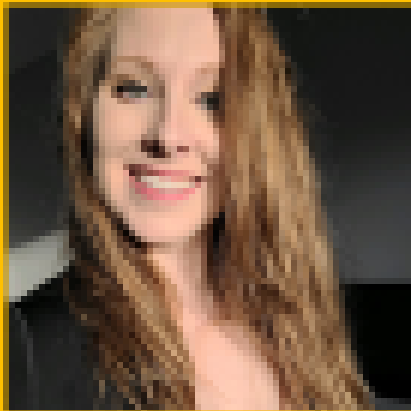

- **Hydrogen for future mobility applications. Opportunities and challenges for Rotomolqders**

By **Davide Accornero**, Rototech, Italy

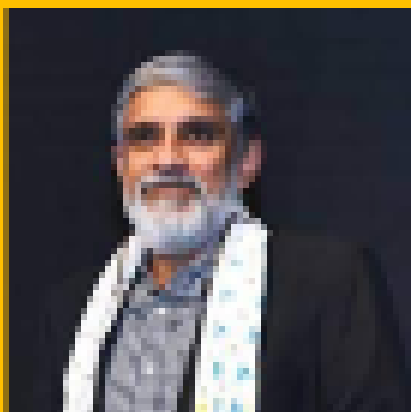

- **Does quality cost**

By **Blaise Costabir**, GMI Zarhak, India

- **A Comparative Study On The Effects Of Hvo-100, Biodiesel And Conventional Fuels On The Physical Of Properties Of Crosslink And Linear Polyethylene Resins**

By **Maisyn Picard**, Ingenia Polymers, Canada

- **Good Desing in Value Creation – Not Value Engineering**

By **Satish Gokhale**, Design Directions, India

- **THE CIRCULAR ECONOMY – The Face of future sustainability**

By **R Ravikumar**, Roots Multiclean, India

- **Hot markets for polypropylene**

By **U Savadekar & Craig Burgess**, PSD – Phychem, India / Australia

- **Effective Marketing and Branding through RotoMoulding Business Connect Program**

By **Peram Prasada Rao**, TechnoBiz, Thailand

- **Polymer Composites for Rotomoulding – Problems & Challenges**

By **Dr. Marek Szostak**, Rotopol, Poland

- Decades of presence in the automotive industry; TotalEnergies is a preferred supplier for Plastic Fuel Tank Solutions.

By **Eric Maziers**, Total Energies One Tech Belgium

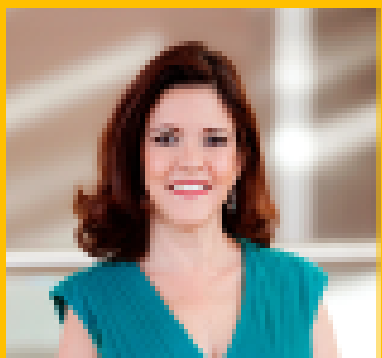

- Green Polymers (PCR from Milk pouches & Sustainability Project)

By **Permpoon Chaijaroen** (Billion), SCG Chemicals Co., Thailand

- Rotomoulding Opportunities in Hydrogen Fuel Storage

By **Aldo Quaratino**, Matriz Polymers, UK

- Rotomolding in the other part of the world.... Latinoamerica

By **Conchita Miranda**, Miraplastek, México

- **Decorative Graphics and Functional Coating**

By **Konstantia Asteriadou**, Lysis Technologies, UK

- **How to Select right type of Rotomoulding Machine**

By **Kiran Panchal**, NA Roto Machine & Moulds, India

Conference

Gala Dinner

... and vacations!

Let's globalize
retooling knowledge!
