EN 15343

Enhancing Competitiveness With Anemos

- **Compliance:** Meets GPP standards, ensuring eco-friendly practices as per Regulation 15343.
- **Evaluation Advantage:** Earns extra points in tenders for sustainability, increasing bid success.
- **Market Differentiation:** Sets your company apart as a sustainability leader, enhancing brand image.
- **Regulatory Compliance:** Mitigates non-compliance risks, prepares for future regulations.
- **Social Impact:** Supports circular economy, reduces landfill waste, and preservation of natural resources.
- **Reputation and Trust:** Builds trust with stakeholders, strengthens Corporate Social Responsibility (CSR) profile.
