 **ASHE**[®]
ASSOCIATION FOR THE STUDY OF HIGHER EDUCATION

Thank you for your interest in supporting higher education scholarship! The Association for the Study of Higher Education (ASHE) is a scholarly society with 2,000 members dedicated to higher education as a field of study. ASHE promotes collaboration among its members and others engaged in the study of higher education through research, conferences, and publications, including its highly regarded journal, *The Review of Higher Education*. ASHE values rigorous scholarly approaches to the study of higher education and practical applications of systemic inquiry.

Exhibitors are an integral part of the ASHE Annual Conference. Attendees are able to connect with you, purchase books and items at discounted prices, and learn more about opportunities to engage with your organization. We are happy to continue engagement with many of our long-time exhibitors as well as engage with new exhibitors in 2026. We are looking forward to your support.

This year marks ASHE's 51st Annual conference and we're excited to celebrate in San Juan, Puerto Rico. We aim to bring together 1,400 higher education scholars over a four-day event that showcases the latest research on higher education, deepen community and networks, and engage with the local San Juan Community.

For questions or more information about additional support opportunities, please contact ASHE Executive Director Jason P. Guilbeau, PhD, CAE at jason@ashe.ws.

Thank you in advance for engaging with our scholarly community!
