

## **Cardiometabolic Medicine Institution Grant Application**

The basic requirements to apply are outlined below. Please send your completed application with the following information to [smanthos@aspconline.org](mailto:smanthos@aspconline.org) by January 15, 2024 to be considered. Incomplete applications will not be considered.

### Checklist:

1. Program Contact information
2. List of current Residencies and Fellowship programs
3. Candidate Recruitment plan
4. Letter of support from the Fellowship Director
5. Letter of support from an affiliated physician champion with a practice focus in cardiometabolic health
6. Top candidate list and letter of support for each candidate must be included
7. To be considered for a fellowship – your institution must be able to comply with the components of the cardiometabolic training laid out in the figure below. Please indicate if the institution cannot provide training in any of the stated areas
