Why did we develop Ekanos? Our Product Model

Ekanos - a value addition

1. Enhance engagement
2. Improve retention
3. Help enhance skills
4. Support personalized learning

By making technical concepts more engaging, memorable, and applicable, Ekanos can help learners develop the knowledge and skills they need to succeed.

Support is our commitment...

- Guaranteed Content updates per ACS
- Support desk
- Enrollment – within 24 hours
- Setup – within 5 business days
