## 2022 Annual Survey

The <u>Aviation Technician Education Council</u> (ATEC) is conducting a survey of FAA Aviation Maintenance Technician Schools (AMTS) to assess key trends in aviation maintenance education and guide future association activities and priorities. Schools are asked to make one submission per location. For those institutions with multiple campuses, survey response requests were sent to the primary contact at each location.

Please complete all questions, using estimated if actual data is not available. Skip a question only if the requested information is not tracked and estimates are not attainable, since partial submissions could negatively affect aggregate results and therefore may not be included in the survey's final analysis.

Results of this survey will be published in the <u>ATEC Pipeline Report</u>, and participating schools will be listed in the publication.

Specific identifying information regarding degrees, programs, and accreditations offered (questions 4, 15, and 16), program duration (question 8), enrollment (question 9), anticipated graduates (question 9), and graduation dates (question 18) will be included in the Pipeline Report's AMTS Directory and ATEC's online school directory. If you do not wish to have submitted information included in these resources, please submit written notification to <a href="mailto:atec@atec-amt.org">atec@atec-amt.org</a>. All other response information will be kept confidential and only reported in the aggregate.

A PDF version of the survey is also available for download here.

Only schools with an FAA part 147 certificate are asked to respond. Survey responses are due Feb. 2.

* 1. What is the name of your institution?		
2. Please provide you	r institution's career services contact information if you would like it included in the <u>ATEC</u>	
<u>Directory</u> .		
Name		
Email Address		
Phone Number		
* 2 Mhat ratings d	loop your part 1.47 program hold?	
	loes your part 147 program hold?	
Airframe Only		
Powerplant Only	<b>y</b>	
Airframe and Po	owerplant	

* 4. What award(s) and/or degree(s) are offered to AMTS program students at your institution? (Che	ck all that
apply.)	
High school diploma	
Certificate	
Associate's Degree	
Bachelor's Degree	
Master's or Doctorate Degree	
None of the above	
5. What percentage increase (or decrease) did you see in A&P program enrollment last year?	
-100%	
6. What percentage increase (or decrease) did you see in A&P graduates last year?	
-100%	
7. What are the most significant barriers to growing your A&P program? (Check all that apply.)	
Burdensome Federal Aviation Administration regulatory requirements (outdated part 147)	
Burdensome federal or local Department of Education regulatory or accreditation requirements	
Program cost and/or inaccessibility to student financial aid	
Insufficient marketing or lack of effective marketing and/or enrollment management expertise or resources	
Insufficient career and/or program awareness	
Inability to hire and retain faculty	
Insufficient facilities, tools, materials, and/or equipment	
Unavailable or inaccessible local, state and/or federal government funding for the program(s)	
Inability to attract students because of the lack of career prospects	
Inability to attract students because of insufficient income potential in aviation maintenance careers	
Challenges to administer programs given COVID-19 safety protocols and restrictions	
Lack of industry involvement	
Other (please specify)	

* 8. How many months does it take a typical student to obtain the mechanic certification with airframe and/or powerplant ratings?	certificate of completion necessary for FAA
0	48
0	
* 9. How many AMTS students (Answer in whole numbers.)	
enrolled in the A&P program last year?	
graduated from the A&P program last year?	
initially appelled with the 2021 graduating class?	
initially enrolled with the 2021 graduating class?	
that graduated from the program in 2021, obtained their FAA mechanic certificate	
are anticipated to graduate in 2022?	
10. Of the 2021 AMTS graduates (Answer in whole numbers, no how many are veterans?  how many are female?	
how many are of African American, American Indian/Alaska Native, Asian and Pac	cific Islander, or Hispanic origin?
how many are foreign nationals?	
, ,	
what was their average age?	
how many were eligible for placement (i.e., they were not continuing education, cohome, etc.)?	ontinuing military service, or a foreign national returning
of those eligible for placement, how many were employed within 60 days of gradu	ation?
of those employed within 60 days of graduation, how many were hired by an aviat	tion-related employer?
of those employed within 60 days of graduation, how many took a job outside the	local geographic area?

lajor airlines (cargo)		
Regional airlines		
Business aviation		
Repair stations		
Manufacturers		
Seneral aviation		
Emerging applications (unma	anned systems, electric propulsion, etc.)	
<u> </u>		
\$7	hourly rate	\$50
0		
3 What was the hegin	uning average hourly starting nay for a 2021 AM	TS program graduate that did not
	nning average hourly starting pay for a 2021 AMT	ΓS program graduate that did not
obtain a mechanic certi	ificate?	
		TS program graduate that did not \$50

What are the most significant barriers to obtain a mechanic certificate (with both or either rating) MTS program graduates? (Check all that apply.)
Unavailable or inaccessible Designated Mechanic Examiners
High test costs
Job offers that do not require a mechanic certificate as a condition of employment
Lack of preparation/fear of testing
Life distraction (family emergency, COVID-related challenge, etc.)
Other (please specify)
None of the above
? (Check all that apply.)  Avionics/aviation electronics  Unmanned aircraft systems
Unmanned aircraft systems
Composites
Welding
Nondestructive testing
Sheet metal
Other (please specify)
None of the above

* 16. Other than mechanic certification, what credential(s) does your institution offer/facilitate? (Check all that apply.)  American Society for Nondestructive Testing (ASNT)  ASTM NCATT Aerospace/Aircraft Assembly (AAA)  ASTM NCATT Aircraft Electronics Technician (AET) (including any endorsements)  ASTM NCATT Toreign Object Elimination (FOE)  ASTM NCATT Unmanned Aircraft Systems (UAS) for Large UAS (over 55 lbs)  CertTEC Aircraft Electrician Electrical Wiring Interconnection System (AE-EWIS) Practical Skills Certificate  CertTEC Aircraft Structures Technician - Advanced  CertTEC Aircraft Structures Technician - Basic  Netter CertTEC Aircraft Structures Technician - Basic  CertTEC Aircraft Structures Technician - Basic  CertTEC Aircraft Structures Technician - Basic  Netter CertTEC Aircraft Structures Technician - Basic  CertTEC Aircraft Structures Technician - Advanced  CertTEC Aircraft Structures Technician - Aircraft Structures Technician - Aircraft Structures Technician - Aircraft Structures Technician

* 17.	What national or regional agency accredits your institution?
	I do not know
	The school and/or program is not accredited
	Accrediting Commission of Career Schools and Colleges (ACCSC)
	Accrediting Council for Continuing Education and Training (ACCET)
	Accrediting Council for Independent Colleges and Schools (ACICS)
	Council of Occupational Education (COE)
	Higher Learning Commission (HLC) (formerly, North Central Association of Colleges and Schools (NCA))
	Middle States Commission on Higher Education
	New England Association of Schools and Colleges Commission on Institutions of Higher Education (NEASC-CIHE)
	New England Association of Schools and Colleges Commission on Technical and Career Institutions (NEASC-CTCI)
	Northwest Commission on Colleges and Universities (NWCCU)
	Southern Association of Colleges and Schools (SACS) Commission on Colleges
	Other, state-based accreditor
	Other (please specify)
1	

18. What are your institution	on's scheduled graduation dates for 2022?
Graduation 1	
Date	
MM/DD/YYYY	
Graduation 2 (if applicable)	
Date	
MM/DD/YYYY	
Graduation 3 (if applicable)	
Date	
MM/DD/YYYY	
Graduation 4 (if applicable)	
Date	
MM/DD/YYYY	
Graduation 5 (if applicable)	
Date	
MM/DD/YYYY	
Graduation 6 (if applicable)	
Date	
MM/DD/YYYY	
19. What are some topics events? Any other general	you would like to see covered in the ATEC Journal, online webinars and/or annual comments or feedback?
