Congress of the United States
House of Representatives

August 2, 2017

The Honorable Michael Huerta
Administrator
Federal Aviation Administration
800 Independence Ave., SW
Washington, DC 20591

Dear Administrator Huerta,

I write today to in support of the promulgation of Title 14 Code of Federal Regulations part 147, the rule governing aviation maintenance technician schools.

Part 147 is long overdue for modernization. Schools certified under the current regulation are mandated by law to teach skills that do not add to the preparation of students pursuing high-tech aviation jobs. Any further delays in modernization will detrimentally affect students and industry.

I would appreciate an update on where the rulemaking stands and when the promulgation date is expected. Thank you for your consideration of this request.

Sincerely,

Lamar Smith
Member of Congress
