Adjourn

Part II – “Cruising at Altitude”

Faculty enrolled in the ATEC Academy will return to their home campuses, where they will be expected to build on the knowledge and skills obtained during the ATEC Academy “Take Off” sessions held on September 28 & 29. **Over the next two months, faculty will be required to complete several assignments, attend three full cohort virtual meetings, record themselves teaching a 30 minute lesson, and meet with the ATEC Academy facilitator or assigned mentor for an individual check-in at least one time.** The requirements and potential meeting dates are listed below:

Meeting at Altitude, Full Class

- Monday, October 11, 2027 12pm (EST) – Virtual One-Hour Session – Educational Apps and Technology
- Monday, October 25, 2027, 12pm (EST) – Virtual One-Hour Session – Managing Student Behavior
- Monday, November 15, 2027 12pm (EST) – Virtual One-Hour Session – Developing Shop Project Rubrics

Assignments

- *Classroom Observation Report*
Each enrollee will observe a peer at their respective institution and prepare a one-page report in which the instruction is described and analyzed.
Assignment Due Date: Friday, October 8, 2027
- *Interview Report*
Each enrollee will interview an aviation maintenance instructor who has taught for at least ten years. The enrollee will ask questions related to teaching experiences, student behavior management, assessment and evaluation, communication, student engagement, and general successes and challenges. The enrollee will then develop a two-page report summarizing what they learned from the interview.
Assignment Due Date: Friday, October 15, 2027
- *Shop/Hangar Rubric*
After our third virtual meeting, you will apply what you learned in Module 4 (Rubric Development) to an actual rubric you can use to evaluate student performance. The assignment details can be found in the Module 4 content in our Google Classroom site.
Assignment Due Date: Friday, November 19, 2027

- *Recorded Lesson*

Each enrollee will record a 30-minute lesson and submit the recording *along with the lesson plan used for the lesson.*

Assignment Due Date: Friday, November 19, 2027

- *Monthly Reflections (*due end of October and November 15, optional)*

Each enrollee will submit a one-page reflection in which they describe their teaching experiences and what they are learning from those experiences. Each attendee will meet with the ATEC Academy Mentor to review one reflection in a virtual meeting.

Part III – “The Safe Landing”

By the end of May, with all assignments completed and assignments submitted and evaluated, ATEC Academy students will become ATEC Academy Graduates!

Surveys

- Take Off Survey: (9.29)
- Virtual Session 1 Survey
- Virtual Session 2 Survey
- Virtual Session 3 Survey
- ATEC Academy Cohort Survey: (11.26)
