

VISITOR REQUIREMENTS

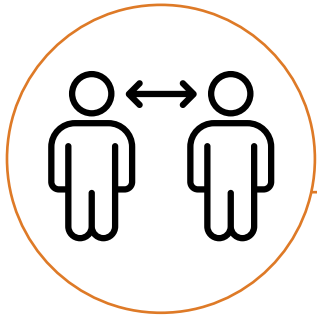

Temperature screenings required upon entry into the AAA office

- Temperatures must be below 100.4 for entry to be permitted.
- People experiencing COVID symptoms (fever, chills, coughing) may not enter the premises.

Visitors must wear face coverings over nose and mouth

- While inside the AAA office building.
- When in an outdoor public space (such as the AAA parking lot), wherever it is not feasible to maintain six feet of social distancing from another person not in the same household.
- If visitor does not have a face covering, a single-use mask will be provided for free.

Visitors must practice consistent social distancing with separation of six feet or more from others

Visitors will not be provided any food or beverages by the AAA

Visitors may bring their own personal food/beverages but must place all waste in the trash bins provided and must clean/sanitize their area prior to leaving the premises.

Visitors will be restricted from use of the AAA kitchen(s)
