

AAA Lyceum 2024

Module II: Association A-Z: From Governance to Getting Things Done

Thursday, April 18, 2024

This session is all about our organization (Internal) *how we organize ourselves to get stuff done*

- How to use the Association to build your leadership skills, and enhance, practice, and showcase those skills.
- The roles, purpose, goals, and active projects of the committees.
- What makes an effective leader in an association - including tips and tricks of how to navigate nominations and what effective leadership looks like for AAA.
- All about leadership pathways in the organization and community.
