2026 Conference & Trade Show: Exhibitor Overview

Welcome to the **2026 Arizona Self-Storage Conference & Trade Show!** We're excited to bring you a dynamic and engaging event where exhibitors and attendees can connect, collaborate, and grow their businesses. Below are key details to help you plan for a **successful and rewarding** experience.

What to Expect:

- ✓ **A True Trade Show Experience** – Enjoy a dedicated exhibitor area, strategically connected to the attendee space for seamless interactions.
- ✓ **Dedicated Exhibit Time** – We've scheduled **specific trade show times on both days** to ensure maximum visibility and engagement with attendees.
- ✓ **Easy Access & Flow** – The exhibit hall is designed for smooth movement, making it easy for attendees to connect with you.

Important Exhibitor Details:

- 📅 **Single-Day Option** – Exhibiting sponsors who wish to participate only on April 16 may do so at the full exhibitor rate. Tear-down for these exhibitors can begin after the **evening reception** that day. Any unoccupied space will be reassigned for the remainder of the event.
- ⚠️ **Non-Sponsoring Vendors** – To maintain the value of our exhibitors' investment, vendors who choose to attend without sponsoring will be subject to a **\$1,500 surcharge**, which exceeds the lowest exhibitor rate. **Marketing materials may not be distributed in the showroom or designated meeting spaces unless you are a sponsor.**
- 💡 **Maximize Your Visibility** – We highly recommend that vendors sponsor rather than just attend to take full advantage of networking opportunities, brand exposure, and attendee engagement.
- 📅 **Tentative Show Agenda** - For details on conference sessions, networking opportunities, and exhibitor activities, **see the tentative show agenda below.**

Thank you for being part of this premier industry event! If you have any questions, feel free to reach out—we're here to help make this an outstanding experience for you.
