Enjoy an exclusive Meet & Greet with Property Management VIPs. Think reverse trade show with a speed dating twist! Management companies: register to choose the **board game theme** to decorate your company's table.

How it Works

In this speed-dating style event, Associate Members will visit each Management Company table, vote for best decorated booth and have their game card stamped to be entered to win the grand prize.

Each Management Company must provide a prize/basket to be raffled off. It's time to give back to the Associate Members who do so much!
