NETWORKING & SIGNATURE EVENTS

BAAA has Signature and Networking Events that occur throughout our 12 county footprint. These events are a great opportunity to meet like-minded individuals within the industry, share ideas and create relationships. These events are open to all employees and require you to register through our website.

EDUCATION & PROFESSIONAL DEVELOPMENT

BAAA offers a variety of opportunities for professional growth through education seminars and credential classes. We've also developed a new Virtual Learning Library containing webinars for some of the industry's hottest topics. These classes are open to all employees and require you to register through our website.

ADVOCACY & INDUSTRY NEWS

BAAA's Government Affairs team is committed to providing our members with the latest news and information for the multifamily housing industry. Through advocacy, we are constantly fighting for the legislation that is best for our industry and therefore best for you. Advocacy takes place at the local, state and national levels.
