SMALL BUSINESS AND TECHNOLOGY DEVELOPMENT CENTER

Through management counseling and educational services, the Small Business and Technology Development Center (SBTDC) helps small and mid-sized businesses increase sales, create jobs, and access capital at significantly greater rates than the average North Carolina business. Counselors collaborate with each business owner to assess and benchmark company performance and make better business decisions.

NORTH CAROLINA SMALL BUSINESS INFRASTRUCTURE GRANT PROGRAM

Local governments in North Carolina located in areas impacted by Hurricane Helene can apply for grants from the Small Business Infrastructure Grant Program (SmBIZ), a \$55 million dollar fund designed to rebuild the damaged infrastructure that small businesses rely on to operate and thrive.

✓ **RELIEF FUNDING FOR CHILDCARE CENTERS**

Relief is available for child care centers, family child care homes, before- and after- school programs (0-5 or 0-12), Head Starts, and NC Pre-K programs recovering from the impacts of Hurricane Helene. The center or program can apply for grant funding to help reopen the center or to help keep it open. Grant funding of \$10 million was appropriated by the state to help child care centers in impacted areas across western North Carolina, as well as a recent grant of \$75 million from the federal government for the same purpose.
