BMES NEWS

Join the Virtual "Meet the Faculty" Event

BMES has planned a virtual 'Meet the Faculty' event that will take place on February 24. Candidates will present their research, as well as network with recruiters, much in the same fashion as the in-person program hosted each year at the BMES Annual Meeting.

Deadline to apply: January 28

Announcing Our new Mission and Vision

We are pleased to announce the new Mission and Vision for the Biomedical Engineering Society!

These statements better reflect our shared values and embody our diverse community, support knowledge sharing, and are the lens through which we measure what we do and who we serve.
