# MEMBER NEWS

## Loss of BMES Member Michael Buschmann, PhD

We are deeply saddened to share with you news about the untimely death of one of our members, **Michael Buschmann**, Eminent Scholar and Chair of George Mason's Bioengineering Department

## Joyce Wong, PhD Elected AIMBE President

**Joyce Wong**, AIMBE College of Fellows Class of 2009, has been elected President of AIMBE for 2022-2024. Dr. Wong is a world leader in the development of new biomaterials that interact with living cells in novel

in the College of Engineering and Computing. He embodied BMES's mission through his commitment to ensuring his discoveries translated into helping people live better and happier lives. [Here](#) is one of his recent review papers about delivery of mRNA vaccines which, besides being a great read, is a tangible reminder of how his ideas and accomplishments will live on.
