The 2023 Annual Meeting Co-Chairs welcome you to BMES2023

“From October 11-14, 2023, in the vibrant city of Seattle, Washington, we will gather for networking, education, and continued growth in the Biomedical Engineering field. The BMES Annual Meeting is a premier event centered around topics and discussions specific to our community. The theme of this year’s meeting is...”

BME 2.0 Engineering the Future of Medicine

Several BMES faculty across multiple institutions joined forces to write this perspective piece on the future of BME curriculum.

"We envision that the BME 2.0 education is the path for providing every student with the training to lead in this new era of engineering..."
